The Villager

Westlake Village

November 1, 2022 Winnebago, II

What's new in our community

Fall is right around the corner it's time to finish up all of the projects that need to get done before winter, task include mowing and trimming weeds still need to be a priority. We just want a beautiful neighborhood- we are sure you agree after all, that is why we have chosen to live here in gorgeous Westlake Village.

Please contact the office to fill out a garbage stop and start form if you will be spending the winter months in warmer climate. If you have any question please contact Gina the office at 815-335-4007.

Looking for a home cooked meal for Thanksgiving without standing on your feet all day or the mess? Consider supporting local bussinesses by giving Pinnions at 2324 N Court St in Rockford, IL a call at 815-962-0131 or Brian's Trade Rite Foods at 231 Kishwaukee St in Rockford, IL a call at 815-226-1217.

Thank you for your service Westlake Village Veterans.

ADDRESS TO FELLOW-COUNTRYMEN

The White House, November 11, 1919.

A year ago today our enemies laid down their arms in accordance with an armistice which rendered them impotent to renew hostilities, and gave to the world an assured opportunity to reconstruct its shattered order and to work out in peace a new and more just set of international relations. The soldiers and people of the European Allies had fought and endured for more than four years to uphold the barrier of civilization against the aggressions of armed force. We ourselves had been in the conflict something more than a year and a half.

With splendid forgetfulness of mere personal concerns, we remodeled our industries, concentrated our financial resources, increased our agricultural output, and assembled a great army, so that at the last our power was a decisive factor in the victory. We were able to bring the vast resources, material and moral, of a great and free people to the assistance of our associates in Europe who had suffered and sacrificed without limit in the cause for which we fought.

Out of this victory there arose new possibilities of political freedom and economic concert. The war showed us the strength of great nations acting together for high purposes, and the victory of arms foretells the enduring conquests which can be made in peace when nations act justly and in furtherance of the common interests of men.

To us in America the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service, and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of nations.

Fun Stuff in the Neighborhood

A big thank-you to our board members **Julie**, **Jim**, **Justin**, **Greg and Eric** for sponsoring a Trunk or Treat event down by the playground on the Saturday before Halloween. *Everyone had a great time and the weather could not have been better*.

Things to Do

December 2nd @ 8:00 pm WLV will hold its 3rd comedy show. Get your tickets now: Visit Eventbrite.com and search for December WLV Community Center Private Comedy Show.

Lynx Golf Course will be closing for GOLF beginning 11/8. With new greens this year, we have decided to winterize properly and ensure we are prepared for a full 2023 golf season. The clubhouse hours and days of operation for November 2022 to March 2023 will be determined by traffic and use. We will keep everyone informed of the schedule when it is decided. The clubhouse will be open for hosting Christmas parties. Message us for availability and pricing. Four new things comming in November will be; a Joker Draw, Trivia Night, Poker & Euchre, plus a Pot Luck Pass.

Dates and times to be determined.

Nicor Gas, which services most of northern Illinois, says the average customer will pay more than \$970 in heating this year, double the cost of last winter. Nicor has increased the price of natural gas by 61 cents per therm, a 110% increase over last year. Jim Chilsen, director of communications for the Illinois Citizens Utility Board says there are some things that residents can do to lower their heating bill, including keeping thermostats set to 68 degrees. "Never, ever, go below 55 degrees. That will freeze your pipes. That can cause all types of problems," Chilsen said. "So, you always want to keep your home at a safe temperature." Homeowners can also winterize their homes by adding plastic sheeting or draft-proofing strips to doors and windows. During the day, Chilsen recommends opening window blinds to let the sun heat the home, and close the blinds at night. "Energy efficiency is always about keeping your home safe and warm," Chilsen said. "We tell everyone that you should check on family, friends, neighbors, to make sure that everyone is staying safe, that nobody is taking any risks to lower their utility bills."

Commissions and Committees of Westlake Village

The Westlake Village Neighborhood Watch committee is off to a great start! The team meets the third Tuesday of each month; and have already been working on the planning of several safety presentations as well as fun activities that we hope will bring the community together and keep everyone safe and aware. On October 9th the Neighborhood Watch committee hosted retired law enforcement, Officer Frank Ingardona. Officer Ingardona presented the S.A.F.E. program to those in attendance; the program was very informational and we look forward to working with Officer Ingardona more for future programs. If you have any suggestions for upcoming Neighborhood Watch programs, please feel free to attend a committee meeting; or contact Shannon Koehler @ 815.601.3974

S.A.F.E. SITUATIONAL AWARENESS FOR EVERYONE · Learn how to be aware of your surroundings while driving & in public · Clues of human behavior, what to look for · What to do in emergencies & active shooters · Be prepared and confident at work and in public · Why and how we listen to our intuition · Why we use mental rehearsal drills · In this ever-changing world, this 1-hour presentation could be the difference in your safety and knowing how to react to danger Lead Trainer, Frank Ingardona, is a retired City of Rockford Police Officer and trainer with 30 years' experience.

On Monday, November 14th; at 6:30pm the Westlake Village Neighborhood Watch committee will welcome Carly Rice; from Miss Carly's into our neighborhood. Many Westlake Village neighbors have been part of donation drives for Miss Carly's whether it was blankets, clothing, socks, or food items; everyone has always been willing to step up when there is a need. The Neighborhood Watch committee decided that it would be great for the community to meet Carly and to get a better understanding of where our donations are going; as well as to get some great community safety tips from Carly when it comes to issues that plague the population that her organization serves. **They are asking that everyone who comes to the presentation bring a hygiene item with them. The collected items will be given to Carly to take back to those who need them. Warm blankets, socks, hats, and mittens/gloves are also always needed items. Hope to see you there!

Did you know we have a Grounds and Maintenance Commission? They discuss and go over things like: *Improvement alternatives to maintain our cul-de-sac roads *Community center *Parking lot pavement improvement alternatives *Walking path improvements - alternatives *Dam structure maintenance *Tennis/pickleball and basketball courts *Playground *Beach *Swimming pool *Boat ramp *Lake - dredging *Wetlands

We hope you enjoy reading the new Westlake Villager that will be published monthly. Would you like to advertising in publication or know someone who would benefit from advertising here. If so, please call Mary Kielty at 815-543-2440. Additionally, Mary is looking for assistance in selling ads. If you have some time and would like to contact local business, please let Mary know.

You vote in elections once a year, but when you volunteer,
ou vote every day about the kind of community you want to live in."

What's going on in our community

Women of Westlake

Wednesdays

Earlier this year, a few of us gals started getting together at each other's homes to beat the blahs of winter. We started out as a small WWN (Weekly Wine Night) and we have now grown into the new WWN - Women of Westlake Wednesdays!

Due to the increased attendance, we have moved the weekly event to the Lynx Golf Clubhouse so that all Westlake women can join us to share some snacks, enjoy some beverages, and most importantly, socialize with the other awesome women in our community!

Please join us!

- ▶ What: Women of Westlake Wednesdays
- Where: Lynx Golf Clubhouse
- When: Wednesdays, 5:30pm
- Why: Meet new friends and neighbors, rekindle old relationships or just hang out with current friends
- Bring: A snack to share

Special thanks to owner Steve Leathers for allowing us to use this lovely new space.

Come Join the Bookworms

The Bookworms is a group of residents that meet to discuss various books on the 2nd Thursday of each month. We meet at the Community Center at 2:00 pm. One person each month serves as facilitator of the discussion and can provide a light refreshment to serve. Each member brings his or her own beverage. This month we meet on Thursday, November 10th when we will be discussing "Sold on a Monday" by Kristina McMorris.

Everyone is welcome whether or not they have had a chance to read the book. It happens that on November 10th members are encouraged to pick a month they wish to lead in 2023 and the book that they wish to discuss.

Any questions about the group, please call Sharon Goldsand at 815-997-2609

Winterizing Your Car

Regardless of whether a severe storm is coming, prepping your car to handle winter weather is something you should do every fall, according to the US Centers for Disease Control and Prevention.

- Have your vehicle serviced as often as its manufacturer recommends, and do the following, the CDC advises:
- Have the radiator system serviced or check the antifreeze level with an antifreeze tester. Add antifreeze as needed.
- Replace windshield wiper fluid with a winter-suitable mixture (which will contain additives to prevent freezing).
- Keep your car in proper working condition by checking the heater, defroster, brakes, brake fluid, ignition, emergency flashers, exhaust, oil and battery.
- Ensure the tires have sufficient tread and air pressure, which you can measure with a tire gauge. Replace worn tires and fill low tires with air to the pressure recommended for your car.
- Keep the gas tank near full to help avoid ice in the tank and fuel lines.
